) LEVYING A FINE
)

STIPULATION BY AGENT

Jonathan M. Voegele ("licensee") hereby stipulates to the payment of a fine in the total amount of \$500 based on the following facts which are hereby acknowledged.

On or about September 1, 1993, licensee completed an "Important Notice Regarding Replacement of Insurance" in the case of Delores Clausen. On that form, licensee answered "no" to question 3, which reads "Will there be any penalties or surrender charges under the existing insurance as a result of the proposed transaction?" In fact, there was a surrender charge of \$1,542.38. The answer was thus incorrect, in violation of WAC 284-23-440. That violation was also a violation of RCW 48.17.530(1)(b).

The licensee has engaged in practices that are not in accord with the standards set out in the insurance code of Washington. Accordingly, the licensee enters this Stipulation to the following Order voluntarily and with the understanding that such fine is in lieu of any suspension or revocation of the licensee's license for such conduct. The facts described above, and the fact of this stipulation, may be considered by the Commissioner in any future administrative, judicial, or other actions regarding licensee.

Signed this 2nd day of September, 1998.
